

# Hong Kong Lounge Fact Sheet

The new Qantas Hong Kong Lounge will deliver a new standard of luxury for customers travelling through Hong Kong. The stylish and contemporary space reflects the colour, vibrancy and luxury of Hong Kong.

Our investment in the new Qantas Hong Kong Lounge demonstrates our commitment to the Asia region and continued investment in the customer experience.

## Features

- Seating for up to 300 customers;
- Approximately 2,000sqm in size;
- Designed by Sumu Design & Caon Studio, designers of the Qantas Singapore Lounge, winner of the People’s Choice Awards at the Interior Design Excellence Awards for 2013;
- A cocktail bar area, with 120m-long panoramic views across the airport;
- The design uses feature floor finishes including tiling, screens and trees to delineate different zones within the lounge and create a sense of space and privacy;
- Customers have the flexibility to dine at the Spice Temple BBQ Bar, in the dining area, at a communal table, at the bar, or more informally in lounge chairs;
- Spice Temple exclusive handmade porcelain crockery designed by Chin Chin Trader;
- A Family zone at the far end of the lounge;
- 12 shower suites;
- Enhanced Wi-Fi (including Wi-Fi printing) USB and PC power.

## Neil Perry Rockpool food philosophy with Spice Temple regionally inspired dishes

- Spice Temple signature cocktails, wines and spirits and a barista service;
- Spice Temple BBQ Bar – chefs serve regionally inspired food such as BBQ pork with Asian salad and signature Spice Temple pickles;
- Tray around service serving Neil Perry classics such as Salt and Pepper Calamari and yum cha trolleys with regional favourites including dumplings;
- Daily plates: guests seated in the dining area during peak periods will be offered a locally influenced plate of the day made to order by in house chefs, with matching wine;
- Self-service: a full buffet offering a generous range of regionally and internationally inspired fresh and enticing food.

## Maximising sleep time

The lounge provides customers with more dining options on the ground, so they can maximise their sleep on board on overnight flights to Australia. Customers travelling in Business, can request in the Lounge for their beds to be made up after take-off.

## Sofitel Service offering

- Extension of the signature Sofitel service offering in the flagship Sydney and Melbourne International lounges, and Qantas Singapore lounge;
- Service includes a hosted personalised experience for customers travelling in First and Platinum One Frequent Flyers, including arrival drinks, shirt pressing, shoe shine and priority access to showers.

## Eligibility
